With an acute understanding and respect for the challenges that entrepreneurs, builders, developers and small businesses encounter, Stephanie Roman founded Roman Law Firm, P.C., focusing exclusively on real estate and business law. With more than 10 years of experience, her practice has earned a devoted client list.

Roman Law provides personal, individualized service, from acquisition to disposition. In addition, they serve as licensed escrow officers for Stewart Title Company. "One of my clients said I do everything for them but dig the ditch," states Roman.

The firm's philosophy is to focus on results applicable to both the business and personal objectives of the business owner. "Essentially, clients come to us to help them develop their dreams, and it's our duty to help them achieve that," says Roman.
